

ECSTATIC CRAFTS®

$f_{knowledge}(\text{Container; Energies})$

It is a Function to Realize the knowledge of the darkness affecting a Container. When used with an Energy or group of Energies, it exposes and knows the darkness that prevents it from vibrating at their frequency.

Within this programming these Containers are automatically included: Alqvimia, The Kingdoms, My Volumetric Being, My Family, School for Magicians, Rainbow Warriors, Mother Earth and the Rainbow Warriors Set.

List of Alqvimia Commands that make up $f_{knowledge}()$

ECSTATIC CRAFTS®

I search for, mark with the Rainbow Warriors' Logo and inoculate with the Rainbow Warriors' Vaccine to its last characteristic the limitations or some other thing that obstructs the search, detection, identification, marking, removal, clearing, and ascension to La Nada of darkness, and the darkness in the **Container**.

I search for, mark with the Rainbow Warriors' Logo and inoculate with the Rainbow Warriors' Vaccine to its last characteristic the limitations or some other thing that obstructs the search, detection, identification, marking, removal, clearing, and ascension to La Nada of darkness, and the darkness in the **Container** with focus on wirchos, disembodied, portals, and universes behind the portals, satan, seth, devil, and venom.

I make myself a master in everything that is marked with the Rainbow Warrior's Logo.

I repeat the **FKC** Alqvimia Commands to Realize the knowledge about darkness in the **Container**.

FKC = FKC + 1

The two (2) Alqvimia Commands are repeated until the knowledge about darkness in the **Container** is Realized.
